DO YOU CURRENTLY OWN A HORSE? YES NO

Can your horse live outside all year around? Stall board is not included in our Resident Student program. Currently stalls are \$630/mo when available.

HEALTH: Is there anything we need to know about your health that may affect your ability to ride, drive, train or teach horses? You are required to have Health Insurance the entire time you are here in training. Do you currently have insurance?

RIDING EXPERIENCE: Describe when you started riding, did you have your own horse, how much instruction have you had, any competition experience etc. What level do you consider yourself in the discipline you have the most experience in?

TRAINING EXPERIENCE: Have you started young horses from scratch by yourself, have you taught a horse using the Training Scale and to what level. Describe only work you have done mounted, not groundwork.

BARN EXPERIENCE: Describe any horse care experience you have, how many horses have you cared for and for how long, how many stalls you cleaned, do you drive a tractor? Tell us about your horse care and management experience.

HORSE HANDLING SKILLS: This is where we need to hear about your understanding of ground training and manners. Tell us your experiences, how you handled them and the outcome on the long term on the horse/human relationship.

LASTLY: Why do you want to be a Resident Student? Do you know what kind of a learner you are? What are your goals, what do you hope to learn, how do you apply yourself, what you see as your strengths and weaknesses? What is your favorite thing about this business and what is your least favorite thing?

DO YOU HAVE A RECENT VIDEO OF YOUR RIDING THAT YOU CAN SEND US A LINK TO?

You can return this by email (a photo helpful) to: julie@basculefarm.com

If you have any other questions, we can get you in touch with our current and former students by email.
